RENEWED
PETITION TO ACCEPT UNINTENTIONALLY DELAYED CLAIM
FOR PRIORITY (37 CFR § 1.78)

Dear Sir:

This is a renewed petition based on applicant's earlier petition filed on June 9, 2009, to which a Decision on Petition was mailed on July 21, 2009. This Renewed Petition is accompanied by a Third Preliminary Amendment in which applicant presents an amendment to the first paragraph of the specification in which a revised claim to priority is included. Applicant believes that this revised claim to priority satisfies the requirements of 37 CFR § 1.78.

In particular, applicant specifically states in the revised claim for priority that the present application is a "continuation of International Application No. PCT/SG2004/000281, with an international filing date of September 3, 2004, now abandoned, which claims the benefit of U.S. Provisional Application No. 60/499,848 filed September 3, 2003."

The entire delay between the date the claim was due under 37 CFR § 1.78 and the date the claim was filed was unintentional.

Applicant believes that the applicable surcharge for this petition to accept the unintentionally delayed priority claim in the present application was fully paid on June 9, 2009 and that no further fee is required. However, if in fact an additional fee or surcharge is due for this paper, the Commissioner is authorized to charge that fee to Deposit Account No. 06-2425.

Respectfully submitted,

FULWIDER PATTON LLP
